Learning objectives:

By the end of the study day, delegates will have

- Gained greater awareness and understanding of relevant and topical issues, developments and challenges in paediatric palliative medicine
- Obtained updated knowledge of research and trials within the discipline of paediatric palliative medicine
- Increased their knowledge of supportive care and updates around prescribing

Who should attend?

- Paediatric palliative care doctors; encompassing paediatricians, hospice doctors, specialist GPs and trainees.
- Senior nurses and nurse consultants as well as specialist allied professionals working at a senior level in paediatric palliative medicine.
- APPM members and non-members alike.
